

Summer Specials

We have some older styles of equipment and some excess stock that we have decided to sell out.

Please note that there is no returns on this equipment unless faulty.

Apple Mac Input Devices

We have stock of some mice and trackball for the ADB connection Mac computers.

Contour Perfit Mice

Note that the mice are the old style with the ball mechanism, not optical.

The shape is great and extremely comfortable. I use this model myself.

Contact us for a sizing sheet, and because we have very limited stock, email us to find out what is left.

Normal Price: \$165.00

SALE PRICE: \$88.00 incl GST.

Kensington Turbo Mouse.

The Turbo Mouse is the forerunner of expert mouse. This is a great trackball which offers 4 buttons for varying click functions.

Again, ADB connection only.

Normal Price: \$115.00 SALE PRICE:\$55.00

Kensington Orbit Trackball:

Easy fingertip control and better comfort for the user. The design fits all hand sizes and supports the natural angle of your hand. Great for large or small hands, left or right handed people.

Normal Price: \$66.00 SALE PRICE: \$44.00

Contour Perfit Mice

Note that the mice are the old style with the ball mechanism, not optical.

The shape is great and extremely comfortable. I use this model myself.

Contact us for a sizing sheet, and because we have very limited stock, email us to find out what is left.

We have limited sizes in the following connections:

Serial (SALE PRICE: \$88.00) SUN, PS2 and USB

Normal Price: \$165.00

SALE PRICE: \$110.00 incl GST.

Contour Perfit Unitray

The Unitray is the perfit partner for the Contour Perfit Mouse. It has an "Ultra Glide Mousing Surface" to improve cursor control and acceleration and a gel palm support for improved comfort. We have limited colours available.

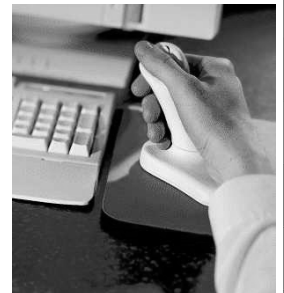

Sale Price: \$11.00 or \$8.00 if purchased with the Contour Perfit Mouse.

ANIR Mouse

The Anir is the original vertical mouse.

We have some stock of the two button large size, with PS2 connection. Again, these mice have the ball rather than optical mechanism, but are a very comfortable mouse to use. Note, they are in large size, which is sized by taking a measurement across your palm, and it should measure between 8.8 and 10cm.

Sale Price: \$55.00

BENQ Mini Mouse

This little mouse is perfect for your laptop or for a child to use. It is a symmetrical design, so is suitable for right or left handed use and is small enough to fit comfortably in a child's hand or your laptop bag.

Sale Price: \$22.00 (only orange colour left)

Vu-tek 17inch Glare Screens

The Vu-Tek Vision care filter is a wrap around filter which are suitable for older style CRT style monitors. The model provides reduced glare and enhanced contrasts and blocks up to 99.99% radiation. We only have a few of the 17 inch models left and they fit monitors with a horizontal width of 41cm (16 1/4 inch).

Sale Price: \$65.00

Model is not exact, but demonstrates wrap around feature.
